Note:

On-site Facility Inspection: Auditor's travel costs are billed separately and include transportation, lodging, and meals. Please note that inspections, if required, are annual.

Expedited Product Evaluation: Guaranteed 5 business-day turnaround. Applies to initial evaluation and subsequent follow-up reviews as needed.

Testing: Must be conducted by a Non-GMO Project-approved lab. Please note that if testing is required, it is an ongoing process.

All fees are subject to change without notice. All fees are charged annually.
